March 2019

The weather is warmer, so it's time to get out of the house. See the reverse side for a list of our many adult events and programs including a Celtic Celebration, Organic Gardening, Handwriting Analysis and a new Writing Club. We have a little something for everyone here at the library so come on down and join in -- and as always our programs are FREE and open to the public.

Kindle Paperwhites to Borrow

We now have Kindle Paperwhites with pre-loaded books to borrow. Includes such popular titles as "Becoming" by Michelle Obama and "Educated" by Tara Westover. Stop by the reference desk to find out more.

Friends of the Library Book Sale

On your visits to the library, don't forget to stop by the Friends of the Library Book Sale. You will find a wide selection of hard cover books, paperbacks, DVDs, CDs, puzzles, children's books and more. Not only will you discover great deals, but the funds collected from all of your purchases are donated to the library for programs and materials.

Visit our website for more information at
