Message from the Library:

Our Library, under the direction of Miss Lisa, has joined *Pass the Bricks*, a program that reimagines, recycles and repurposes LEGO sets for the community. You can participate by donating your old LEGO bricks or help us create and build new sets to be donated to families in need. Look for more information at the Library and join us in this effort to give back to the community. In other news, we continue to have tax forms available. We have MA tax booklets, Federal 1040-SRs (for seniors) and regular 10-40s, and Instruction Booklets. Ask for tax forms at the Reference desk. And, to help you plan your library visits, we will close at noon on Friday, 3/29, and be closed Saturday, 3/30 for the Easter holiday. Regular hours will resume on April 1 (no foolin'). Spring MUST be around the corner, right? We're ready (and we bet you are, too), but at least we have many good books to pass the time while we wait for better weather.
