D. BORDEN DAVIS, Town Clerk

of this disease, we can see that a most rigid investigation was conducted by the district inspector, accompanied by several samples of which were analyzed and all were found to be remedied without delay, either by the public in a better supply of its origin in unsanitary conditions about H. depot, probably by some passenger.

other cases of continued fevers not or lack of, distinct and characteristic recovery.

we recommend a careful inspection vaults and water supply, that each roundings, so as to avoid sickness happiness, as a little preventive is

one deaths in Somerset the past number for our town.
