Message from the Library:

Summer is almost here! And so is our Summer Reading Program "Livin' Like a Griffin." Participants will collect Griffin cards, earning a set of cards for every hour of reading completed. The program runs from June 22 to Aug 13. Register at the Messy Day Kick off event on June 22 or at the Library. There is also big news in the Reference Department! Not only do we have the *Boston Globe* arriving daily and on Sunday, so you can keep up with all the Massachusetts news, but we have 5 brand new public computers. We are still working out a few of the kinks, but all 5 run Windows 11 and the processor speeds are much quicker. Check them out! Finally, to help you plan your library visits: we will be closed Wednesday, June 19, in honor of Juneteenth. Don't forget to stop by and check out our News Books area, Hot Potato books, and Friends of the Library Book Sale books to find the best summer reads!
