Message from the Library:

September not only signals a return to school but a return to all our regular programming. Join one or more of our social games for adults (Scrabble, Cribbage, Mah Jongg, and Bridge), or relax and enjoy the weekly movie matinee. Miss Lisa packs the children's area with tons of imaginative programming, including story times and special events. There is something for everyone. A big thank you to you, our patrons, who have donated a record number of books this summer. Your donations, combined with the hard work of the Friends of the Library, who organize those donations and display them to their best advantage, make our book sale one of the best around. Please check out the Book Sale and get a start on your fall reading. All proceeds from the Book Sale go toward library programming.
