We're happy to report that most adult in-person programs will resume in July, including Book Clubs! For children, there will be some in-person programs, such as story time, that take place outside, and other programs that take place online. Please check our website for the latest news on programs. We look forward to seeing you in-person soon!!

### Online Resources:

### *New!* American Ancestors

We've added a new genealogy database to our collection! Now that COVID-related time restrictions on public computers have ended, you'll have unlimited time to use this resource in the library. With American Ancestors, you'll have access to 1.4 billion searchable records and access to the only online source for Boston's Catholic records. Come check it out!

### Tips for printing and copying documents

\*Bring change or small bills for all printing or copying jobs. The printer/copier accepts \$1 and \$5 dollar bills, quarters, dimes and nickels (no pennies) and will provide you with change in coins.

\* When copying documents, they should be placed face down on the glass or face up on the document feeder.

*Help is always available at the Reference desk!*
