Message from the Library:

If you've walked into the library lately and thought there was something different, you're right! We have new and more energy-efficient lighting with a warmer glow, which is part of a Town-wide commitment to save on our electric bill, be more environmentally friendly, and still shine bright! Check it out and tell us what you think! In other news, tax forms have arrived. We have MA tax booklets, Federal 1040-SRs (for seniors) and regular 10-40s, and Instruction Booklets. Ask for tax forms at the Reference desk. Also, to help you plan your library visits, we will be closed Monday, February 19th for Presidents Day but will be open the previous Saturday (2/17) for our regular Saturday hours of 9 am to 3 pm, and we will be open the rest of School Vacation week with a wide assortment of programs for kids to keep them busy. Keep warm, and make sure you have a good book when it starts to snow!
