

Make Your Own Story Game Instructions

1. Print out instruction sheet, board sheet and both card sheets.
2. Cut out all cards and pencil game pieces (pawns) 
3. Place pencil pawns on the beginning of your story– *Once Upon a Time*
4. Place all cards in a pile to the side of board. Each player will pick one card per turn.
5. Players will move forward or backward the amount of spaces indicated on their card.
6. If there are not enough spaces to move in the direction the card has indicated, players will skip their turn.
7. Shuffle and reuse cards as many times as needed.
8. Use the picture prompts on each page/space to create a continuing story. Add characters, actions, places and feelings to your story with each picture you land on. Fill in as many additional story details as you would like.
9. The first person to successfully land on the last space (*The End*) and complete their story– WINS!
